

SUMMIT COUNTY COUNCIL

COUNTY OF SUMMIT, OHIO

LEGAL NOTICE OF PROPOSED DRAINAGE IMPROVEMENT

July 8, 2025

Dear Property Owner;

A Drainage Improvement Petition, attached hereto as Exhibit A, has been filed by Northfield Center Township with the County of Summit Council Office pursuant to Section 6131.04 of the Ohio Revised Code requesting the County to clean, remove obstructions from, regrade, restore, reconstruct, and stabilize the drainage course hereinafter set forth, and install channel improvements to mitigate future erosion, scour and flooding.

The proposed project will repair the watercourse and install measures to mitigate the erosive and flooding effects of future storms. Repair of the drainage course will include numerous measures such as cleaning, removing obstructions, regrading, restoring, reconstructing, stabilization and installing stormwater basins. The proposed channel improvements will reduce erosion, scour and flooding, increase capacity, and improve storm water quality. The drainage course location is described as running northerly from West Highland Road to and across Marwyck Drive, thence continuing northerly and westerly to Bayberry Drive, as depicted on attached Figure 1. Work is also planned to include cleaning tributary rear-yard ditches west of Dorwick Drive, building associated stormwater detention basins and providing easements of access. The adjacent land is residential located in Northfield Center Township, Summit County, Ohio.

A Public Viewing of the project will take place on Wednesday, August 13, 2025, at 4:30 p.m., at Northfield Center Township Administration Offices, 8484 Olde Eight Road, Northfield Center, Ohio 44067.

A Public Hearing will take place on Monday, September 22, 2025, at 4:30 p.m., in Council Chambers, Ohio Building – 7th Floor, 175 South Main Street, Akron, Ohio 44308.

Except as may be ordered pursuant to Section 6131.31 of the Ohio Revised Code, all costs of engineering, construction, and future maintenance will be borne by the Summit County Surface Water Management District, for those parcels within the Surface Water Management District (i.e. within Northfield Center Township). Not more than twenty-one days after the date of the view, you may file an amendment to the petition that expands the length of the proposed improvement, provided that such amendment does not expand the area to be benefited by the proposed improvement. Furthermore, you may comment on the proposed amendment in writing before or in person at the public hearing on the petition. You may file an amendment to the petition or submit written comments on the proposed amendment or the petition to the Summit County Council, Ohio Building – 7th Floor, 175 South Main Street, Akron, Ohio 44308. Comments may also be submitted by email to CountyCouncil@summitoh.net.

PETITION FOR CONSTRUCTION OF SINGLE COUNTY DRAINAGE IMPROVEMENT [R.C. 6131.04]

Name of Project: Dorwick Ditch Improvements

TO THE COUNCIL, COUNTY OF SUMMIT, OHIO:

The undersigned hereby petition your honorable body for the following improvements:

Nature of the Work:

Dorwick Ditch has been subject to blockages and erosion and has caused flooding during major storms in recent years. The proposed project will repair the watercourse and install measures to mitigate the erosive and flooding effects of future storms. Repair of the drainage course will include numerous measures such as cleaning, removing obstructions, regrading, restoring, reconstructing, stabilization and installing stormwater basins. The proposed channel improvements will reduce erosion, scour and flooding, increase capacity, and improve storm water quality. The drainage course location is described as running northerly from West Highland Road (C.H. 111) to and across Marwyck Drive, thence continuing northerly and westerly to Bayberry Drive, as depicted on attached Figure 1. The adjacent land is residential located in Northfield Center Township, Summit County, Ohio.

Course and Termini:

The following is the approximate course and termini of said proposed improvement, to wit:

Beginning at the downstream terminus of the natural drainage course at the West Highland Road (C.H. 111), said point being approximately 700 feet West of Olde Eight Road;

Thence Northerly approximately 2,500 feet, following the course of the existing channel to Marwyck Drive;

Thence, continuing Northerly and Westerly approximately 1,400 feet, following the course of the existing channel to the improvement terminus at the East line of Bayberry Drive;

And including cleaning tributary rear-yard ditches west of Dorwick Drive, building associated stormwater detention basins and providing easements of access;

The Petitioner(s) state that the construction of the improvement is necessary and will be conducive to public welfare.

Except as may be ordered pursuant to section 6131.31 of the Revised Code, all costs of engineering, construction, and future maintenance will be paid by the County through its Surface Water Management District.

A list of the names and addresses, where known, of all owners of land which the petitioner(s) claims will be benefitted by or damaged by construction of the proposed improvements is attached as Exhibit A.

Service of notice of the filing of this Petition shall be obtained by:

Mailing notices and publications as provided in Section 6137.07 of the Ohio Revised Code.
